Mary Kawena Pukui

Looking back at the accomplishments of the past year, one word comes to mind – ho'omau, meaning to perpetuate, or continue. In these unpredictable and unprecedented times the ability to persevere is more important than ever. You, our donors, have demonstrated the ability to ho'omau, and we greatly appreciate the generosity that you, Kamehameha Schools' alumni, friends and 'ohana have provided Ke Ali'i Pauahi Foundation this year – once again providing the means for us to continue to change the lives of Native Hawaiians.

The true spirit of your generosity and aloha are alive in students like Zorn Lawson who attends the California Institute of Integral Studies where he's working to obtain his graduate degree in Criminal Justice and Cultural Anthropology. A graduate from Wai'anae High School, he received the Kamehameha Schools Class of 1956 Grant. Growing up, Zorn was surrounded by drugs and domestic violence, yet he rose from adversity and is now able to pursue his goal of helping Hawaiians on the wrong side of the criminal justice system lead healthy, productive lives.

Pearl City High School graduate, Michele Saldana attends Kapi'olani Community College, fulfilling her dream of one day becoming a nurse to serve our Hawaiian communities. As a recipient of the Choy-Keē 'Ohana and the Daniel Kahikina and Millie Akaka Scholarships, Michele's dream of wanting to help others, especially Hawai'i's kūpuna can now come true.

In fiscal year 2007-2008, the Foundation experienced growth on a number of levels. The number of individuals and organizations who have made a contribution reached an astounding 747 – a promising sign that you, our 'ohana of donors have taken it upon yourselves to perpetuate the mission and vision of the Foundation, letting nothing stand in your way.

It has been a humbling and exciting time for the Foundation. During FY 2007-2008 we welcomed several newly endowed scholarships and the number of individual contributions from Kamehameha alumni and those moved by the Foundation's mission have also increased.

Throughout this report you will find profiles and quotes from scholarship donors and recipients that illustrate the Foundation's core mission to advance educational opportunities for more Hawaiians. However, our job is far from done. The Foundation has seen a lot of growth this year, both as an organization and as a strong resource to the haumāna we serve. With your continued support and participation, we are confident that Ke Ali'i Pauahi Foundation will play a bigger and brighter role in providing educational opportunities for lāhui Hawai'i here and on the continent pursuing their dreams of a higher education.

# KAMEHAMEHA SCHOOLS ALUMNI ASSOCIATION MAUI REGION SCHOLARSHIP

"Those who first began the KSAA Maui Region Scholarship began awarding students that did not attend Kamehameha Schools but who were from Maui County. It was their wish to help extend the reach of Pauahi to other Native Hawaiian students. Since joining Ke Ali'i Pauahi Foundation, we have been able to reach more students, fulfilling our criteria of serving Native Hawaiian students seeking a higher education."

Dancine Takahashi, President  
Kamehameha Schools Alumni Association –  
Maui Region

*Recipients of the 2008  
Kamehameha Schools' Alumni  
Association – Maui Region  
Scholarship were honored at their  
annual scholarship presentation.*

# SCHOLARSHIP RECIPIENTS

Ke Ali'i Pauahi Foundation manages over 100 scholarships with a wide range of interests and fields of study. In 2008 nearly 300 scholarships were awarded in the amount of \$370,000.

*(KS) denotes that scholarships are designated by donor to give preference to Kamehameha Schools' graduating seniors at a particular campus. KSH = Kamehameha Schools Hawaii'; KSK = Kamehameha Schools Kapālama; KSM = Kamehameha Schools Maui. These designated awards are selected through a nomination process and determined by campus Counselors and Administration. Other post-high scholarships are open for application to the general public with preference given to students of Hawaiian ancestry. Recipients are selected through a fair and unbiased process and awards are determined by objective selection committees managed by Ke Ali'i Pauahi Foundation staff.*

## ADVANCING EDUCATIONAL OPPORTUNITIES FOR MORE HAWAIIANS

In addition to the scholarships that Ke Ali'i Pauahi Foundation administers, there are four areas of interest where donors may designate their support to assist more children of Hawaiian ancestry.

### Charter School Support

One of the ways in which Pauahi's legacy is being extended to reach haumāna who are not able to attend Kamehameha Schools' campuses is through Charter School support. The Foundation is helping to build awareness and get support for these courageous schools that give haumāna a choice at a culturally rich education.

Hawaiian-focused start-up public Charter schools offer unique services to children and families based on culturally grounded pedagogy and instruction. Haumāna attending these Charter Schools achieve marked academic improvement, become leaders in all that they do and represent their kūpuna well.

The demand for culturally relevant education is growing. Most Charter Schools have wait lists of students who would like to attend but aren't able to because of limited funding for facilities and operations. Some schools are operating out of temporary facilities and funding their activities from their own pockets.

Through Kamehameha Schools' Ho'olako Like program, each of the 14 Hawaiian-Focused Charter Schools are given assistance with their daily operational needs and facility improvements. While these schools are doing an excellent job with the limited resources they have, they could do even more with our kūkua.

### Early Childhood Education and Literacy

The Early Childhood Education and Literacy Fund is very important to the Foundations' mission to serve more children of Hawaiian ancestry. By providing literacy support to students, their parents and caregivers, and by promoting culturally relevant learning, these keiki will get the kūkua they need to achieve future success in school.

Additionally, the Foundation and the Harold K.L. Castle Foundation have partnered to support literacy education programs in Windward O'ahu public schools. Studies have shown that increasing competence in writing and reading predicts future success in school. Simple skills that many of us take for granted are not guaranteed, so the support that comes from our Foundation and others makes a lifetime difference.

### Advancing the Hawaiian Language

Contributions made to Ke Ali'i Pauahi Foundation for the purpose of Advancing the Hawaiian Language will assist efforts to preserve

Hawaiian language and heritage, like the work of 'Aha Pūnana Leo, Hawaiian immersion schools or other efforts to build and share 'Ōlelo Hawai'i. The Foundation is also working with Kamehameha Publishing to distribute books written in 'Ōlelo Hawai'i to K-12 schools throughout Hawai'i.

#### Land Stewardship

Funds raised through the Foundation's Land Stewardship Fund will support efforts to mālama I ka 'āina. Historically, land has always been an integral part of Hawaiian culture. Through support from our generous donors, the Foundation will support those who are preserving these precious lands for all generations, assuring that precious natural and cultural resources are cared for.

## KAMEHAMEHA SCHOOLS ALUMNI ASSOCIATION – MAUI REGION SCHOLARSHIP

*Recipient Spotlight:*  
**Ha'aheo Kaho'ohalahala**  
*Lahainaluna High School*  
*University of Hawai'i*  
*Mānoa Environmental*  
*Native Hawaiian Law*

This scholarship assists students pursuing post-high opportunities that are residents of the island of Maui and did not graduate from Kamehameha Schools.

Determined, hard working and dedicated, Ha'aheo Kaho'ohalahala looks forward to receiving her Law degree in Environmental and Native Hawaiian Law from the University of Hawai'i at Mānoa.

"As a native Hawaiian, I realize now more than ever the importance of our environment and how it relates to my culture. Hawaiians relied heavily on their natural environment for survival and knew the importance of balance and respect for the land. Each and every day I see many changes in Hawai'i that affect our environment negatively, this is why I have chosen to pursue an education that will help me to help protect the environment today and for future generations."

## CHOY-KEE 'OHANA SCHOLARSHIP

This scholarship established by the Choy-Kee 'ohana recognizes the academic achievements and efforts of students with a GPA of 3.0 and above pursuing a post-high education.

## DANIEL KAHIKINA AND MILLIE AKAKA SCHOLARSHIP

This scholarship was established in recognition of U.S. Senator Daniel Kahikina Akaka's commitment to education and the indigenous people of Hawai'i.

Helping others – simply put is Michele Haunani Saldana's calling. Striving to become a registered nurse in Hawai'i's healthcare industry, Saldana decided that it was time to go back to school to fulfill her lifelong dream.

Thanks to the Choy-Kee 'Ohana Scholarship and the Daniel Kahikina and Millie Akaka Scholarship, Saldana will be joining others with the dream of becoming a nurse at Kapi'olani Community College.

"I have always had a feeling of compassion and an extreme need to want to help others. I have been in the medical field for many years working as a medical assistant or a surgical technologist. Through my healthcare experience I've learned about our nation's nursing shortage. Our kūpuna are living longer, the "baby boomer" generation is getting older and there is a greater need for nurses throughout the U.S. to provide quality health care. I plan to stay in Hawai'i where my nursing skills can benefit the Hawaiian community and Hawai'i's community as a whole."

## JOSEPH A. SOWA SCHOLARSHIP

A. Sowa Scholarship,

## JALENE KANANI BELL 'OHANA SCHOLARSHIP

*Recipient Spotlight:*  
**Billy Kahiau Oden**  
*Kailua High School*  
*Brigham Young University – Provo*  
*Exercise Science/Physical Therapy*

This scholarship was established to recognize Willene Wailani Bell and her commitment to her family, education and civic involvement. The award supports well-rounded, community-minded students of good moral character with a “can do” attitude.

Leading by example. Billy Kahiau Oden, recipient of the Jalene Kanani Bell ‘Ohana Scholarship is no stranger to the hard work and dedication that’s required to be a positive role model for others striving to be like him one day. Hoping to receive his Bachelor of Science degree in Exercise Science and Physical Therapy from Brigham Young University Provo, Billy’s aspirations and determination have been the driving force in his decision to pursue a college education.

“I have always understood that my hard work now has a far-reaching effect on my future. As I keep this mind-set, I am able to have the discipline to work hard and perform to my best in all that I am doing now and will do in the future. Now that I have the desire to work in the field of medicine, I am willing to do everything needed in my education to reach this goal of some day becoming a physical therapist. The duties, working environment and skills that come with being a physical therapist seem to coincide with the person I am and the person that I will become. I will not let anything stop me from achieving my career goal.”

“Upon graduation from BYU as well as medical school, I will come back to my home town of Waimānalo and work as a physical therapist in a nearby hospital. I would like to treat those in need, despite their economic standing.”

## GIVING TO THE FOUNDATION

Gifts made to Ke Ali'i Pauahi Foundation reflect gifts from the heart and will help to carry forward the vision of Ke Ali'i Pauahi to empower Hawaiians through education. The Foundation is a 501 (c)(3) tax exempt organization; therefore, contributions made to the Foundation are tax deductible to the extent permitted by law. Additionally, 100 percent of your gift goes to help others as Kamehameha Schools covers the Foundation's administrative and overhead expenses.

### UNRESTRICTED DONATIONS

Unrestricted gifts allow the Foundation the flexibility to respond to the areas of most critical need. These outright gifts include cash, appreciated property (real estate, stock) or tangible personal property.

### TRIBUTE GIFTS

Tribute gifts are made in honor or in memory of individuals family members, friends or colleagues that have inspired you or touched your heart. This is a meaningful way to honor loved ones in perpetuity.

### RESTRICTED DONATIONS

Restricted gifts define a program, project or scholarship of special interest to the donor.

### FUTURE GIFTS

A future gift is arranged now, but the Foundation's use of the funds is delayed to some future time. The most common type of future gift is a charitable bequest such as Princess Pauahi provided in her will. The money from a bequest becomes available for financial assistance at the end of the donor's life. Other ways of making a future gift are naming the Foundation as beneficiary of some portion of an IRA or other retirement plan, naming it as beneficiary of a life insurance policy, or establishing a charitable remainder trust with the principal payable to the Foundation when the trust terminates. These future gifts are sometimes called "planned gifts." The Foundation can work with you and your professional advisors in arranging such gifts.

### CORPORATE MATCHING GIFTS

Corporations will often match an employee's charitable gift dollar for dollar. Please check with your employer to see if your contribution qualifies for this category.

## KAMEHAMEHA SCHOOLS CLASS OF 1956 GRANT

*Recipient Spotlight:*  
**Zorn Israel Ikaika Lawson**  
*Wai'anae High School*  
*California Institute of Integral Studies*  
*Criminal Justice/Cultural*  
*Anthropology*

Through perseverance, commitment and dedication, Zorn Israel Ikaika Lawson rose from adversity to become the first in his family to graduate from college.

Thanks to the Kamehameha Schools Class of 1956 Grant, Zorn is now on his way to the California Institute of Integral Studies in San Francisco as a graduate student pursuing a degree in Criminal Justice and Cultural Anthropology. "As a child growing up in Hawai'i, I came from a family who struggled to make ends meet, constantly surrounded by drugs and domestic violence. However as difficult as the situation may have been, I continued to dream of becoming a college graduate. I'll be studying Cultural Anthropology and Social Transformation as it relates to the importance of culturally relevant approaches in the Criminal Justice System as it relates to indigenous populations affected by Western colonization."

"Being a native Hawaiian from a population that is underrepresented in the education system and over-represented in the Criminal Justice System, I am striving to start my own reintegration program for convicted felons who want to change and do better for themselves and their families."
