KE ALI'I PAUAHI
FOUNDATION

The mission of Ke Ali'i Pauahi Foundation is to support the mission of Kamehameha Schools by seeking and developing new and diverse sources of income to support the ever-increasing educational needs and goals of people of Hawaiian ancestry.

LETTER FROM THE PRESIDENT AND EXECUTIVE DIRECTOR

Aloha mai kākou,

At birth, Pauahi's father, Abner Pākī, planted a tamarind sapling to signify the beginning of her life. The sapling flourished and grew into a tall and magnificent tree. Pauahi often sat with her people under this very tree listening to them and offering advice – a strong indication of the life she lived and the love she held for her people.

Today, with the unwavering support from our Kamehameha Schools' alumni, friends and 'ohana, Pauahi's legacy of giving has grown big and strong like the tamarind tree that signified her life, her legacy.

Despite a slowly recovering economy, our generous donors contributed over \$400,000 towards life-changing educational opportunities for people of Hawaiian ancestry.

At the core of our supporters is a proud and devoted group of Kamehameha Schools' alumni who understand the benefits of Pauahi's legacy and chose to perpetuate that legacy for the benefit of Hawaiian people. In the 2009 – 2010 fiscal year, the Foundation saw a 57% increase in alumni participation from the previous fiscal year. The Alumni Week Golf Tournament, in particular, raised over \$20,000 for the Nā Koa Ho'oulu scholarship.

Kamehameha Schools' staff and faculty continue to be constant contributors to our mission. Our Work Place Giving campaign generated over \$30,000 of support for the Foundation.

"Kahiau," or to give generously from the heart, continues to be a focus for the Foundation with the Pennies for Pauahi program on Kamehameha Schools' campuses. Originally started at our Kea'au campus' elementary school, the program has grown to include multiple grade levels and campuses. It is clear that the seeds of giving continue to grow within our young leaders.

The Foundation's impact is solely the result of your dedication and support for what we do and stand for. We are graciously thankful for your kōkua, and ask for your continued support as we continue to grow Pauahi's legacy of giving just like the tamarind tree.

Mahalo nui loa,

Dee Jay Mailer KSK'70, President

ADVANCING EDUCATIONAL OPPORTUNITIES FOR MORE HAWAIIANS

In addition to the scholarships that Ke Ali'i Pauahi Foundation administers, there are four areas of interest where donors may designate their support to assist more children of Hawaiian ancestry.

CHARTER SCHOOL SUPPORT

One of the ways in which Pauahi's legacy is being extended to reach haumāna who are not able to attend Kamehameha Schools' campuses is through Charter School support. The Foundation is helping to build awareness and get support for these courageous schools that give haumāna a choice at a culturally rich education. Hawaiian-focused start-up public Charter schools offer unique services to children and families based on culturally grounded pedagogy and instruction.

Haumāna attending these Charter Schools achieve marked academic improvement, become leaders in all that they do and represent their kūpuna well.

The demand for culturally relevant education is growing. Most Charter Schools have wait lists of students who would like to attend but aren't able to because of limited funding for facilities and operations. Some schools are operating out of temporary facilities and funding their activities from their own pockets.

Through Kamehameha Schools' Ho'olako Like program, each of the 14 Hawaiian-Focused Charter Schools are given assistance with their daily operational needs and facility improvements. While these schools are doing an excellent job with the limited resources they have, they could do even more with our kōkua.

EARLY CHILDHOOD EDUCATION AND LITERACY

The Early Childhood Education and Literacy Fund is very important to the Foundation's mission to serve more children of Hawaiian ancestry. By providing literacy support to students, their parents and caregivers, and by promoting culturally relevant learning, these keiki will get the kōkua they need to achieve future success in school.

Additionally, the Foundation and the Harold K.L. Castle Foundation have partnered to support literacy education programs in Windward O'ahu public schools. Studies have shown that increasing competence in writing and reading predicts future success in school. Simple skills that many of us take for granted are not guaranteed, so the support that comes from our Foundation and others makes a lifetime difference.

ADVANCING THE HAWAIIAN LANGUAGE

Contributions made to Ke Ali'i Pauahi Foundation for the purpose of Advancing the Hawaiian Language will assist efforts to preserve Hawaiian language and heritage, like the work of 'Aha Pūnana Leo, Hawaiian immersion schools or other efforts to build and share 'Ōlelo Hawai'i. The Foundation is also working with Kamehameha Publishing to distribute books written in 'Ōlelo Hawai'i to K-12 schools throughout Hawai'i.

LAND STEWARDSHIP

Funds raised through the Foundation's Land Stewardship Fund will support efforts to mālama i ka 'āina. Historically, land has always been an integral part of Hawaiian culture. Through support from our generous donors, the Foundation will support those who are preserving these precious lands for all generations, assuring that precious natural and cultural resources are cared for.

KAMEHAMEHA SCHOOLS' ALUMNI DONORS

Ke Ali'i Pauahi Foundation is grateful to all of the Kamehameha Schools' alumni for their overwhelming support, generous gifts and spirit of kahliau to support the Foundation's mission.

LEGACY OF A FAMILY: LEONG 'OHANA CREATES PERPETUAL SCHOLARSHIP

Classmates and high school sweethearts **Lance Leong KSK'83** and **Andrea Hussey Leong KSK'83** know that a good education can open doors to a brighter future. It did for them – both earned degrees in business management from the University of Hawai'i at Mānoa and are thriving in the newspaper and lending fields.

For years, the business-minded couple saved and budgeted their money wisely to buy a home and provide a quality education for their keiki. In September, they took some of that hard-earned money and established a scholarship for needy students through Ke Ali'i Pauahi Foundation. Their decision had the full support of their daughters.

"We could've splurged the money on an Alaskan cruise or Las Vegas trip but the excitement would've only lasted a few weeks," said Lance. "Establishing an endowed scholarship will help needy students pursue their dreams of higher education and bring a sense of accomplishment and peace to our hearts – not just for a few weeks – but each and every day of our lives."

Lance and Andrea stretched the value of their dollars by taking advantage of Ke Ali'i Pauahi Foundation's matching incentive program. The program helped boost the value of their endowment by contributing a dollar for every two dollars donated.

The Leong 'Ohana - left to right: Lauren KSK'12, Leiana, Andrea KSK'83, Lindsey KSK'13, and Lance KSK'83

The Leong 'ohana gave a generous \$13,500 and the Foundation contributed \$6,750 for a total of \$20,250. The minimum amount needed to create an endowed scholarship is \$20,000. The principal amount of the endowment will remain intact and the interest earned will fund annual scholarships in perpetuity.

As for the Leongs' Vegas trip, it may have to wait until next year. For now, they are betting on a brighter future for a needy college student. Lance and Andrea believe that it was a wise bet indeed.

"It is such an easy choice to make a short-term sacrifice in order to make a long-lasting difference in the life of others," said Lance. "We hope that in the future, each of our children will find it in their hearts to establish a scholarship fund in their names as well, to carry on our tradition of giving."

"It is such an easy choice to make a short-term sacrifice in order to make a long-lasting difference in the life of others."

CLASS OF 2001 SCHOLARSHIP

The class of 2001 is well on its way to establishing an endowed scholarship fund. With the help of generous donations from nearly 60 classmates, white elephant sales, and other fundraising activities, the class has collected over \$10,000.

Dawson Kaaua and Christine Hew, who are both co-chairing the class of 2001 scholarship board, hope to start a shift in the mindset of their classmates from beneficiary to benefactor.

“Kamehameha has given tremendously to me and each of my classmates, and it is now our time to ‘pay it forward’ and give back to the school through Ke Ali‘i Pauahi Foundation to help other Native Hawaiians.”

GIVING TO THE FOUNDATION

HOW YOU CAN MAKE A DIFFERENCE

Contributions made to Ke Ali'i Pauahi Foundation reflect gifts for the heart and will help to carry forward the vision of Ke Ali'i Pauahi to empower Hawaiians through education. The Foundation is a 501 (c) (3) tax-exempt organization; therefore, contributions made to the Foundation are tax deductible to the extent permitted by law. Additionally, 100 percent of your gift goes to help others as Kamehameha Schools covers the Foundation's administrative and overhead expenses.

Unrestricted Donations: Unrestricted gifts allow the Foundation the flexibility to respond to the areas of most critical need. These outright gifts include cash appreciated property (real estate, stock) or tangible personal property.

Restricted Donations: Restricted gifts define a program, project or scholarship of special interest to the donor.

Tribute Gifts: Tribute gifts are made in honor or memory of individuals, family members, friends or colleagues who have inspired you or touched your heart. This is a meaningful way to honor loved ones in perpetuity.

Future Gifts: A future gift is arranged now, but the Foundation's use of the funds is delayed to a later time. The funds from bequest are available to utilize at the end of the donor's life. Other ways of making a future gift are naming the Foundation as beneficiary of a portion of an IRA or other retirement plan, or life insurance policy, or establishing a charitable remainder trust with the principal payable to the Foundation when the trust terminates.

Corporate Matching Gifts: Corporations will often match an employee's charitable gift dollar for dollar. Please check with your employer to see if your contribution qualifies for this category.
