PAUHI FOUNDATION
Transforming Lives in the Hawaiian Community

Aloha mai kākou,

Foundation: That upon which something is founded.

In the world of philanthropy, the word foundation most often conjures up thoughts of grants, or gifts, or scholarships, or aid. And those correlations are correct in every way. But here at the Pauahi Foundation, this word means more than simply its relation to philanthropy; in fact, it is everything.

To begin to understand what we are here to do, we need to look at how and why we were created. It is this very foundation that will guide our efforts moving forward and allow us to further our mission.

Kamehameha Schools was created to expand educational opportunities for Hawaiians. Education is a massive and complex word that can be, and is, debated tirelessly. But here, and at its core, once we extract the hot topics of content, delivery, pedagogy and outcomes, it means to uplift and advance our people. It means to offer tools for success. It means to prepare our young ones, and old, and everyone in between, to skillfully navigate the challenges that life inevitably brings. We see these things as our foundation, the core beliefs upon which we were founded.

Keawe Lanakila Liu +
[Executive Director]
Pauahi Foundation

Our Foundation: Education and advancement for our people, for our lāhui Hawai'i.

Sometimes, such a massive task can actually lead to apathy and procrastination. This happens because something so daunting seems impossible to achieve. And at the end of the day – helping all Hawaiians may in fact be too lofty a goal. But we must still try. Because if we do not join together to create opportunities, it will not be done for us.

The Pauahi Foundation:
The source for creating opportunities in our Hawaiian community.

When Kamehameha Schools created the Pauahi Foundation, it was in an attempt to create a hub for philanthropy within our system. It was for the purpose of having a place to gather support for individuals who needed assistance. And more importantly, it was with the intent to offer a means to collectively move the needle and to create opportunities within our community.

During the 2013 fiscal year, nearly 900 proud Kamehameha alumni, faculty and staff, and numerous students, parents, grandparents and extended family members joined in to build the Foundation as a source for our lāhui. In addition, over 100 non-alumni friends of our mission came forward to show their support and to contribute to the cause. In all, we raised over \$577,000, a figure that surpasses any previous year of the Foundation's existence, and represents a 4 percent increase over our previous highest mark. This is certainly something to celebrate. But as we know – there is still so much left to accomplish.

To all of you – alumni, faculty and staff, friends, relatives and supporters – mahalo nui! Thank you for stepping up and for making a change in how we support our Hawaiian community. Thank you for creating opportunities and for believing in our collective. Thank you for being a part of our foundation – with you to support us, we are sure to succeed.

Me ka ha'a ha'a

Aloha mai kākou,

On behalf of the Board of Directors and staff of the Pauahi Foundation, I want to mahalo all of you for your collective support over the past fiscal year. We are truly inspired by your commitment to uplifting our lāhui Hawai'i through education.

Fiscal Year 2012-13 (July 1, 2012 to June 30, 2013) has been one filled with great change and promise. The addition of Keawe Liu as Executive Director, and his passion and experience for philanthropy, has resulted in new fundraising opportunities that will reach a broader group of donors, and more importantly, help a larger group of Hawaiians.

The Foundation's purpose is to transform lives within our entire Hawaiian community, and we are excited to see the positive results in the upcoming years.

Many have accepted the great opportunity to transform the lives of our people. Thank you for being a part of this movement!

Each of us can make an impact in someone's life, but together as a hui, we can create significant change for the Hawaiian community.

Through the selfless generosity of our supporters, numerous individuals have been given the opportunity to succeed in their educational endeavors, as well as in life. However, as many of us know, there is still more of our people that need help. And with your collective support, we will transform more lives within our Hawaiian community.

HE PAKA UA, OR A RAINDROP, IS A SOURCE OF NOURISHMENT

By itself, it works hard to make an impact. But when it joins with others, for a common purpose, the raindrop becomes invaluable. Together with other raindrops, it breathes life into all that it comes in contact with.

Our donors, whether as individuals, organizations or groups, have stepped forward to accept the incredible opportunity to become a raindrop for the Hawaiian community. Collectively, they have come together to create the life-giving rain that provides the sustenance and nourishment for our people to flourish and survive.

* Kamehameha Schools Alumni

As the numbers grow and flourish each year, many of our Kamehameha alumni have stepped forward to be raindrops for our Hawaiian community.

Pauahi's generosity is the nourishing rain that continues to bless the lives of many proud Kamehameha alumni. These are the individuals chosen to receive the precious gift of an education, and ultimately, a chance at a better life.

As the numbers grow and flourish each year, many of our Kamehameha alumni have stepped forward to be raindrops for our Hawaiian community. Just like Pauahi's life-giving rain, their collective gifts will have a positive impact in perpetuity. The Foundation is grateful to have their leadership and support!

Each gift received from the Kamehameha alumni 'ohana is a testament to the ripple effect of Pauahi's generosity. The chart recognizes the alumni who have stepped forward to be the life-giving rain for our lāhui Hawai'i. They have chosen to give like Pauahi so that other Hawaiians will have access to one of the most important cornerstones for future success – an education. In total, the Pauahi Foundation received over \$192,000 in gifts from about 900 of our proud graduates during the fiscal year 2012 – 2013. The Foundation is appreciative to have their continued kōkua.

Whether big or small, a raindrop can have impact. Students from Kamehameha Schools' three campuses are proving that they too can come together to transform lives in our Hawaiian community. Their appreciation for Pauahi's gift of an education is evident by their passion to emulate their Princess' selfless generosity.

These are our future leaders for our people

Leaders that will ensure more Hawaiians will have the opportunities to a better life.
