## A MESSAGE FROM OUR LEADERSHIP

---

Aloha mai kākou,

Fiscal year 2014 - 2015 marked another year of tremendous growth for the Pauahi Foundation.

The Foundation's He Paka Ua (raindrop) movement, which focuses on collective giving, continued to spark increases in donations and participation. The overflow of support for this movement resulted in total gifts of \$1.3 million by the end of the fiscal year. So far, He Paka Ua has helped generate more than \$2 million in donations over the past two fiscal years.

Over 790 new donors joined our 'ohana this past fiscal year for a total of more than 2,500 — up 8 percent from fiscal year 2014. Mahalo to all who have joined in to make a difference in our community!

By the end of the fiscal year, over 160 donors signed up to make monthly recurring gifts to the Foundation—a 63 percent increase from the previous year.

The Foundation received a number of gifts at the Ka Hui Kūlanihāko'i giving level—gifts of \$10,000 or more.

Most notable were multi-year gifts of over \$200,000 from Georgia Meyer to create the John A. & Georgia J. Meyer Scholarship. Mrs. Meyer's late husband, John, is a member of Kamehameha Schools' class of 1951. Mahalo to Mrs. Meyer for leaving a legacy that will help students for many years to come!

The increases in support mean more educational opportunities for the Hawaiian community.

The Foundation added 11 new named endowed scholarship funds in 2015, increasing the total funds to 158. By the end of the fiscal year, over \$479,000 in scholarships were awarded in support of more than 200 Native Hawaiian learners.

Engaging Kamehameha Schools' alumni has always been a focus for the Foundation. In fiscal year 2015, alumni donated more than \$500,000 for an 85 percent increase from the prior year. In total, there were over 1,500 alumni donors, which represent 7 percent of the more than 22,000 alumni living locally and abroad.

The 2015 Reunion Challenge provided a big boost in alumni gifts and participation for the Foundation with over \$164,000 raised by classes celebrating their reunion year.

In addition, the Foundation hosted more than 770 alumni at 24 events in Hawai'i and on the continent. One event in particular, Launa 'Ike, allowed over 70 alumni to share their 'ike, or "knowledge," with nearly 1,300 students in grades 9-11 at Kamehameha Schools Kapālama.

Since accepting the interim executive director position in July 2015, I have been truly inspired by the selfless generosity and commitment to our mission. These achievements are unprecedented and would not be possible without your support. Mahalo palena 'ole.

Me ka ha'aha'a,

Pono Ma'a KSK'82  
Interim Executive Director

**BRENT NAKIHEI**

2015 Makaloa Scholarship Recipient

## **BRENT NAKIHEI HAS A VOICE THROUGH HIGHER EDUCATION**

---

Speaking from experience, Brent Nakihei knows how hard life can be after living a life of drugs, alcohol and incarceration.

“From 1989 to 2003, I was a dealer, user and destroyer of the Moloka‘i community,” said Brent, a 2015 Makaloa Scholarship recipient. “When I was released from jail, I thought to myself, there must be something better than this.”

Brent saw higher education as the key to turning his life around, but more importantly, a way to give back to the Moloka‘i community that he once destroyed.

In 2005, with encouragement from his counselor at the Hale Ho‘okupa‘a Substance Abuse Treatment Center, he registered with the University of Hawai‘i Maui College - Moloka‘i Education Center to become a substance abuse counselor. The center serves Moloka‘i residents as part of UH Maui College.

“Because I have experience in the drug scene and the recovery road, people looked down on me,” said Brent. “I learned that if I educated myself on different levels, people will listen to me.”

Since that first year of college in 2005, Brent has excelled in his studies, as well as in life. He earned two Associate in Science degrees by 2009 from the Moloka‘i Education Center—one for substance abuse

counseling and another for general human service—while maintaining a GPA of 3.9 and being inducted to the Phi Theta Kappa Honor Society. He later added an Associate of Liberal Arts in 2010 with a GPA of 3.9, which was also from the Moloka‘i Education Center. In 2013, he earned a Bachelor of Arts in social science with a minor in criminal justice with a GPA of 3.8 from Ashford University – Iowa, all while maintaining a 3.8 GPA and being inducted into the Alpha Sigma Lambda Honor Society.

While going to school, Brent was hired as a counselor at Hale Ho‘okupa‘a to help people dealing with the same problems he once faced. He is now certified as a Substance Abuse Counselor, Criminal Justice Professional and an International Certified Alcohol and Drug Counselor.

Currently, Brent is in his final year of completing a Master’s degree in social work from the University of Hawai‘i Myron B. Thompson School of Social Work. He is set to graduate in May 2016.

“Education is important because one, I have a voice, two, it is a gift to myself and my kūpuna, and three, my kids can see that if daddy can do it, they can too,” added Brent.

# HE PAKA UA, A RAINDROP, MAKES AN IMPACT, BUT TOGETHER WITH OTHER RAINDROPS, ITS IMPACT IS TRANSFORMATIVE.

Our pool of donors continued to grow in fiscal year 2014 - 2015. We welcomed over 790 new donors this past fiscal year for a total of more than 2,500—up 8 percent from the previous fiscal year.

This is the second year of celebrating nine new giving hui, which were created to celebrate the diversity of our donors and the impact of their gifts. These new giving hui tie into our Paka Ua movement with each level honoring a different form of rain and the important role it plays in sustaining life. The section that follows acknowledges each group of donors.

In addition, we have highlighted donors who, over the years, have displayed a significant level of support through cumulative giving. These donors are noted with a 5+ (Donors for at Least Five Consecutive Years) and 10+ (Donors for at Least Ten Consecutive Years).

Donors with deceased (†) and staff (s) designations reflect those that occurred within this fiscal year.

Kūlanihāko‘i is the source of rain in the clouds. It is the mythical pond or a lake in the sky. It is said that when Kūlanihāko‘i overflows it creates rain for the Hawaiian people. This giving level was established to honor donors whose annual gifts to the Pauahi Foundation total \$10,000 or more. The overflowing generosity from donors in this hui makes a lasting impact into perpetuity.

## **KALINO FOUNDATION LOOKS TO IMPROVE THE HEALTH OF HAWAIIANS THROUGH EDUCATION**

For the Kalino Foundation, a healthy Lāhui Hawai'i starts with education.

In December 2014, the Hawaiian nonprofit established the Kalino Foundation, LLC Scholarship to support Native Hawaiian students pursuing a Bachelor of Science degree in the medical, health and wellness field.

"The decision to support undergraduate scholarships was made to help foster Native Hawaiian workers in Hawai'i's health care industry," said Dane Uperesa, director of operations at Kalino LLC. "Partnering with the Pauahi Foundation was a natural fit to ensure that Kalino Foundation's endowment would be fairly administered for generations to come."

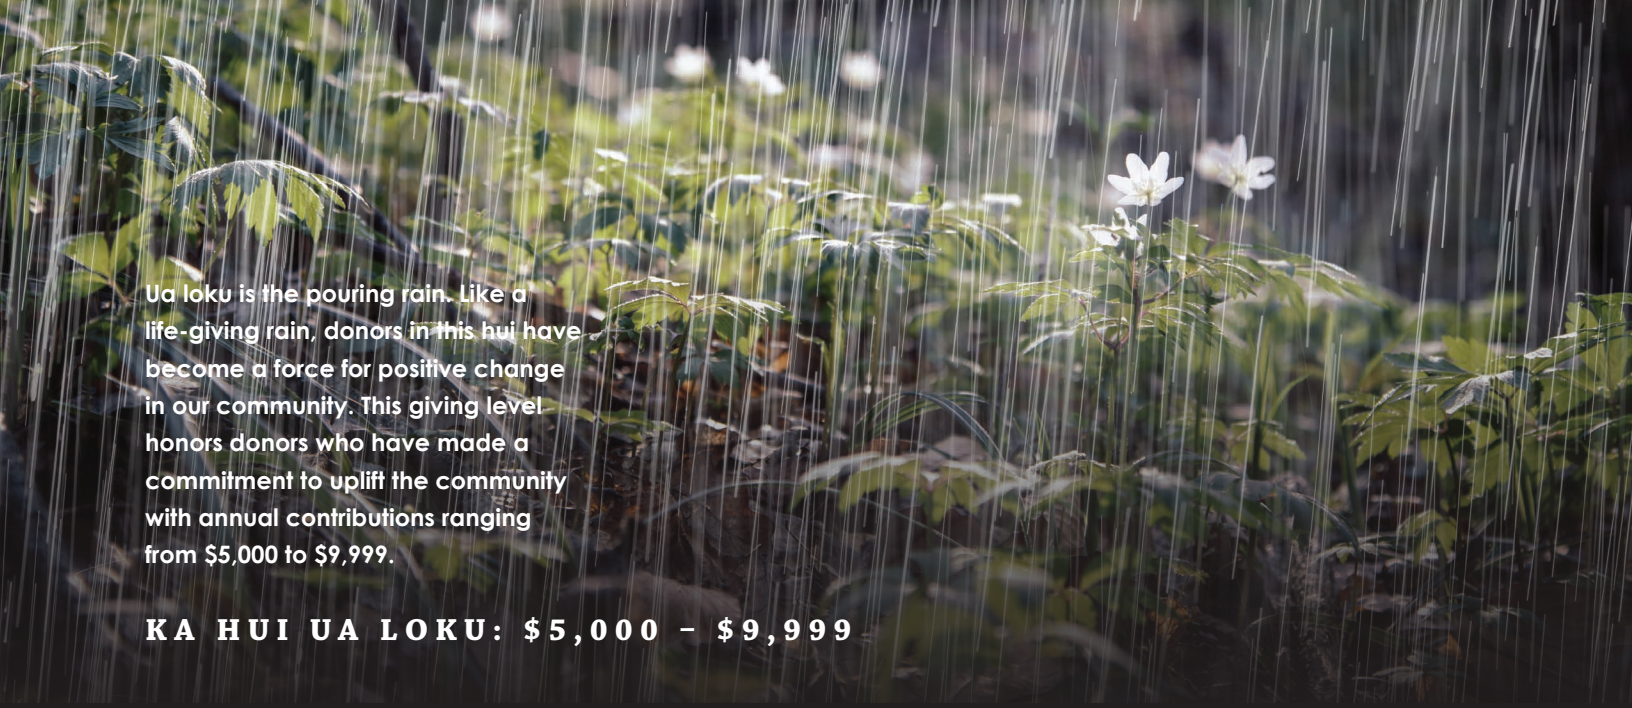

Established in 2009 as a certified Native Hawaiian Organization, the Kalino Foundation's mission is to enhance the wellbeing of Native Hawaiians through business opportunities, cultural activities, education, research, environmental preservation, gainful employment and health care. The nonprofit organization is also the majority owner of Kalino LLC a staffing company that provides health care workers, administrative support and technical services to health care organizations.

Over the past three years, the Kalino Foundation has donated over \$145,000 to fund their scholarship. Recipients were awarded for the first time in July 2015 when two \$5,000 scholarships were given to Kala'iokamalino Niheu and Kyle Yoshida, who are attending Hawai'i Pacific University and Harvard University, respectively.

The scholarship also serves as an opportunity for Kalino's leadership to pay-it-forward for the educational opportunities they have received in their past.

"Several of our directors and officers, as well as their family members, have received a scholarship through the Pauahi Foundation. The Kalino Foundation Scholarship is a way of giving back to complete the circle of giving," said Dane.

"The Kalino Foundation has a vision of improving the wellbeing and health of Native Hawaiians," said Pono Ma'a, Pauahi Foundation's interim executive director. "The Kalino Foundation, LLC Scholarship will help fulfill this vision while increasing the pool of Native Hawaiian professionals in the medical and health care industry."

**JULIAN AKO**

Retired Po'o Kumu of Kamehameha Schools Kapālama High School with Cyrus Maunakea and Rachel Suganuma of the class of 2015

## JULIAN AKO'S JOURNEY CONTINUES INTO RETIREMENT

---

From his days as a student in his dress blues to his retirement in July 2015 as the po'o kumu (principal) of the Kapālama campus' high school, **Julian Ako KSK'61** has enjoyed the ride at Kamehameha Schools.

"My family was not well off but the foundation and experience I got from Kamehameha were important building blocks for many of the positive experiences throughout my life," said Julian.

That same "Kamehameha" foundation and experience led to opportunities to explore other cultures outside of Hawai'i. It started in his college years at Macalester College in faraway St. Paul, Minn. He would later travel to Poland on a number of occasions while completing his graduate studies in Slavic and Soviet Studies as a student at Kansas University.

After his college schooling, Julian settled into teaching on the mainland before returning to Hawai'i in August 1979 with full intentions of working at Kamehameha Schools; however, with no job lined up, he had to work as a model for Kathy Muller Modeling Agency to make ends meet.

"That's when **Fred Cachola KSK'53**, who was head of Extension Education at Kamehameha, hired me to be his assistant and I began working at my alma mater in November 1979," recalled Julian.

Julian would go on to serve in a variety of roles throughout his 36 years of service at Kamehameha Schools, including time spent as a teacher and chair for the social studies department, extensive work on developing the school's 2000-2015 Strategic Plan, a move to Kawaiaha'o Plaza to serve as the senior education administrator, and his final position as po'o kumu of the Kapālama campus' high school.

His time at Kamehameha included a faculty study trip with the student concert glee club in 1991 to the Cook Islands and Tahiti that opened his eyes to his own culture and its importance in his life, as well as the world.

"I was embarrassed because the people of the Cook Islands and Tahiti spoke their native language, and here I am as a Polynesian who didn't know his own language," Julian said.

Now retired, Julian has plans to travel, but he also wants to continue to support the students. In December 2014, he created the Global Studies Fund to help students at the Kapālama campus with travel cost for trips abroad. In fiscal year 2014 - 2015, the fund raised \$17,700 and is on track to hitting his goal of \$20,000 by December 2015.

"Having experiences abroad has impacted my life and how I view both myself and the world," said Julian. "By becoming globally minded, our students will be able to have a profound impact on the world by virtue of who they are as Native Hawaiians and the education they receive at Kamehameha."

The kuāua rain is drenching rain. Just as a soaking shower, donors provide the much needed sustenance in order to have a thriving and vibrant Hawaiian community. This giving level acknowledges donors whose gifts total \$1,000 to \$2,499 during the fiscal year.

Ao 'ōpioio is a young cloud. It rises from sea level or close to the cloud banks and is as white as steam. When seen, this is a sign of rain. We use this metaphor for any current Kamehameha Schools student who gives to the Foundation and demonstrates student philanthropy.

Sachi Iwata (second from left) with Holoua Stender, Kamehameha Schools executive vice president of education, Lehua Vincent, po'o kumu (principal) for Kamehameha Schools Hawai'i's high school campus, and Keawe Liu, former executive director of the Pauhi Foundation.

## SACHI IWATA STEPS FORWARD

When given the opportunity to lead the 2015 Walk for Pauhi for her senior legacy project, Sachi Iwata stepped forward without hesitation. The 2015 Kamehameha Schools Hawai'i graduate wanted to build on the momentum set by students who have led the walk in prior years.

"The Walk for Pauhi is an important event that should be continued," said Sachi. "It resonated with me in that I wanted to make a difference and provide more opportunities for students of Hawaiian ancestry."

The walk, which is held on the Hawai'i campus on Prince Jonah Kūhiō Kalaniana'ole Day, is a student-driven fundraiser supporting Kamehameha Schools Hawai'i National Honor Society Scholarship. It was started back in 2013 with **Bree Kaneakua KSH'13**.

Guiding her through the journey of the project was the 'ōlelo no'eau "'A'ohē hana nui ke alu 'ia," or "No task is too big when done together by all."

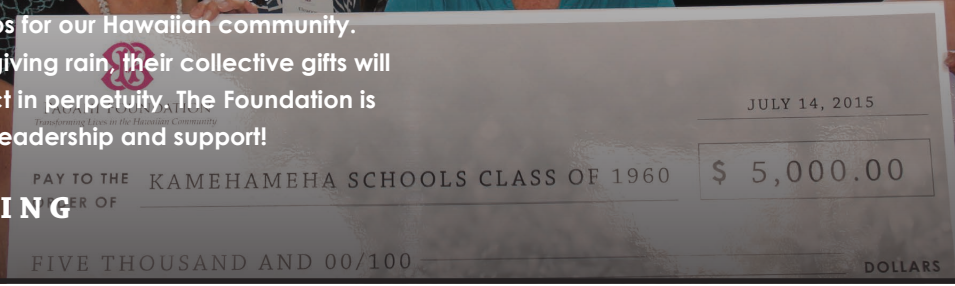

"If we can all perpetuate this mindset as we go through life, then there's no doubt in my mind that we can and will have a strong lāhui for generations to come!" added Sachi, who is currently pursuing a nursing degree at Grand Canyon University in Phoenix, Ariz.

The collectiveness of this effort led to over \$600 in donations from over 70 participants ranging from students to alumni and parents.

"It is very important to give back as a way to show and acknowledge an appreciation for the blessings in your life no matter how big or small," said Sachi. "When you give selflessly your own life gets filled."

Many of our Kamehameha alumni have stepped forward to be raindrops for our Hawaiian community. Just like Pauahi's life-giving rain, their collective gifts will have a positive impact in perpetuity. The Foundation is grateful to have their leadership and support!

## KS CLASS OF 1954 CAUGHT THE GIVING BUG

Giving back did not come naturally for the class of 1954, but once they caught the bug, they could not stop.

"It took a while for us to comprehend that our Princess gave us a lot and now it's time for us to give back," said **Suzel Pane'e Ho KSK'54**.

The class caught the giving bug from **Aileen Pane'e KSK'60**, who is Suzel's sister, and the late **Geraldine "Aunty Gerry" Vinta Johansen KSK'60**.

"My sister and Gerry would always talk about their class scholarship," said Suzel. "I thought if they could do it, so could we."

With the Pauahi Foundation's first ever Reunion Challenge in June 2014, their class saw an opportunity to get their classmates involved. They started with forming a fundraising committee made up of volunteers **Betty Mae Freitas Hiram KSK'54**, Suzel and her husband, Amona, **Ann Bowman McBirnie KSK'54**, **Richard McKeague KSK'54** and his wife, Audrey.

Personalized letters were sent to encourage all classmates to join in and give as well as to encourage their family members to do the same.

Despite facing obstacles with classmates living in different states and time zones, the class generated over \$54,000 in donations — the most raised by a class

during the Reunion Challenge. For their collective effort, the class received an additional \$7,000 match from the Foundation to build their class fund.

"The word love describes our class very well, and we thought if we can help, why not!" said Betty Mae.

Help is exactly what the class did. In July 2014, the Kamehameha Schools Class of 1954, Nā Kanalimakūmāhā Scholarship awarded their first scholarship recipients—Leslie Jaramillo, who is attending the University of Hawai'i at Maui College.

In addition, several classmates have created 'ohana scholarships, including the Eli D. Pane'e, Sr. and Aileen E. Pane'e I Mua Scholarship (Suzel's late parents), Patrick L. Hiram – John S. Freitas Scholarship (Betty Mae's late husband and father), Dan and Rachel Mahi Educational Scholarship (the late parents of **Henry Mahi KSK'54**) and the Violet K. '32 and Henry T. Hughes, Jr. Scholarship (Claire's late parents).

"We are so grateful for the collective effort and generosity from the class of 1954," said Pono Ma'a, Pauahi Foundation's interim executive director. "Both individually and collectively, the class complements Pauahi's thoughtful legacy."

## **LIFE COMES FULL CIRCLE WITH TAI CHOY YIM**

---

**Tai Choy “T.C.” Yim KSB’41** lived a challenging life as a youth growing up in downtown Honolulu during the Great Depression. He and his father lived in tenement housing in an area known as Tin Can Alley. Often times, T.C.’s only meal was the free lunch at Ka’uluwela Elementary.

It was not until sixth grade that things started to turn for the good. T.C.’s teacher, Mrs. Gilliland, saw something in him and helped him through his studies. She also urged him to apply to the Kamehameha School for Boys. He would eventually be accepted as a seventh grader, and as he put it, “It was like going to heaven.”

T.C. would flourish at Kamehameha. He excelled in his classwork and played football, as well as ran track.

His time at Kamehameha led to an opportunity to get a college education. His first two years were spent at the University of Hawai’i before transferring to the University of Michigan.

“His life is a testament of what Pauahi’s will did to make a difference in the life of a little boy that started life with much hardship,” said **Kathryn Lau Best KSK’75**, who first met T.C. during her senior year at the Kapālama campus when they were paired up as part of Kamehameha Schools’ Legislative Internship program—a program that connects students interested in learning about government service and a career in politics with alumni in that line of work.

Soon after graduating from UM with a degree in political science and a minor in philosophy, T.C. returned home and became very active with the Democratic Party. His time in politics included 10 years in the House of Representatives, six years in the Senate, and three years as an administrator with the Office of Hawaiian Affairs.

T.C. was known by many as a tough legislator who would always do what is “pono” for the people of Hawai’i.

As chairman of the Senate’s Committee on Energy and Natural Sources, Senator T.C. Yim was a major legislative advocate of energy conservation and developing alternative energy sources which truly supports mālama ‘āina and sustainability efforts today.

“He was kind, committed to community service and the betterment of all of Hawai’i’s people,” said Kathy, who T.C. considered his hānai daughter. “He was passionate in developing Hawaiian youth into future government and community leaders that respect and emulate Hawaiian values.”

T.C. passed away in April 2014—six years after his wife Ethel. To honor his life and service to the people of Hawai’i, Kathy and her friends created the T.C. Yim Memorial Scholarship.

“Life has come full circle. Little did I know that almost 40 years after meeting T.C. that I would help him fulfill his final wishes,” Kathy said. “It’s a way to perpetuate his wishes to give back in gratitude for the opportunities he was given through Pauahi.”

The Pauahi Foundation is honored by the kōkua of our volunteers. Through their contributions of time, energy and exceptional talents, have made a difference in our the Hawaiian community.
