Interim Executive Director

Aloha mai kākou,

Fiscal year 2015-2016 was a year of transition for the Pauahi Foundation. We laid the ground work for our new role as Kamehameha Schools' new Advancement Office.

The move stands as a key initiative under the schools' Strategic Plan 2020 to help further the mission of Kamehameha Schools.

Despite the shuffling, we remained steady throughout the fiscal year thanks to the support from all of you, our donors, as well as our team of dedicated staff members. For that, I am grateful and excited to continue this momentum in our new role as the Advancement Office.

The addition of key partnerships has helped sustain our donation dollars. Collaborating with and engaging other organizations and groups will be an area of emphasis in upcoming years as we set out to establish ourselves as a philanthropic conduit for the Hawaiian community.

In the past, Kamehameha Schools alumni and staff have served a vital role in generating support for our lāhui. We will build on this strong foundation of supporters by reaching out to all within our Kamehameha `ohana, including parents, students and other beneficiaries of Pauahi's generosity.

This past fiscal year, we awarded over \$586,000 in scholarships and grants — a 22 percent increase from the previous year. Our new role as the Advancement Office will allow us to expand our reach in the upcoming years by leveraging new partnerships with those who are motivated to create change in Hawai'i's educational landscape; thus, increasing our capacity to serve more haumāna.

Mahalo to all of you for supporting our mission!

As we continue on this new journey towards making Kamehameha Schools a leader in philanthropy, I ask for your continued support.

Me ka ha'aha'a,

## KILIONA YOUNG'S PASSION FOR EDUCATION

Being an educator was not in his plans, but Killiona Young soon realized that it was his calling.

"I got into teaching through the recommendation of a friend," said Killiona, who has been a music and Hawaiian studies teacher for over 10 year now. "I loved the connection I made with the keiki, and how much I learned just from teaching."

Unfortunately, that love for teaching was trumped by the reality of providing for his family. He knew that getting a college education was the means to advancing his life.

"I enrolled at the University of Hawai'i Hilo as a 40 year old," said Killiona, a 2016 recipient of the Pauahi Foundation's Mahi'ai Scholarship.

"I wanted to make a better life for my family and it started with me getting a college education."

Currently, he teaches part-time at the Volcano School of Arts and Sciences in Volcano, Hawai'i, while going to school full-time, which has been one of his biggest challenges in life financially, academically and on a personal level.

To ensure he has enough time for his family, he often studies in the morning and late at night, which has paid off with being named to the dean's list every semester.

The Mahi'ai Scholarship he received provides relief, as well as assurance that he will achieve his goal of getting a college education. The scholarship is a multi-year scholarship

for students pursuing an education in an agriculture-related field.

"Without the help from the Pauahi Foundation and its donors, I would be working two to three jobs just to get by," Killiona added. "Specifically, these multi-year scholarships make it possible to finish my education."

When he finishes college, Killiona will devote his time to his passion—educating others. He knows that he can make a difference in the lives of keiki by giving back through his work.

"I teach K-8 and that age group is very important because it sets the foundation for who they become as adults," said Killiona. "It's my passion to educate this age group and to help set them on their path."

## THE PAUHI FOUNDATION WELCOMED OVER 460 NEW DONORS IN FISCAL YEAR 2015-2016.

Our nine giving hui (groups) continued to grow this past fiscal year. These hui were created to celebrate the diversity of our donors and the impact of their gifts. Each group honors a different form of rain and the important role it plays in sustaining life. The section that follows acknowledges each group of donors.

In addition, we have highlighted donors who, over the years, have displayed a significant level of support through cumulative giving. These donors are noted with a 5+ (Donors for at Least Five Consecutive Years) and 10+ (Donors for at Least Ten Consecutive Years). Donors with deceased (†) and staff (s) designations reflect those that occurred within this fiscal year.

Kūlanihāko`i is the source of rain in the clouds. It is the mythical pond or a lake in the sky. It is said that when Kūlanihāko`i overflows it creates rain for the Hawaiian people. This giving level was established to honor donors whose annual gifts to the Pauahi Foundation total \$10,000 or more. The overflowing generosity from donors in this hui makes a lasting impact into perpetuity.

The noe mist is a gently settled mist. It has been said that the sweet fragrance of the maile is kept fresh and moist by the misty rain. Similarly, donors of the Foundation refresh and invigorate the community through their generosity. This giving level acknowledges donors whose gifts total \$250 to \$499 during the fiscal year.

The `ohu mist is a light misty cloud that covers mountains such as Haleakalā from top to bottom. This mist is also associated with great beauty. This giving level includes supporters whose gifts total from \$100 to \$249 during the fiscal year. Donors in this hui see the potential beauty that can come from the commitment of a gift.

Kilihune is a fine light windblown mist. Just like a fine mist, donors surround us with their support. This hui highlights the importance of the act of giving and all gifts can make a difference. The hui was established to honor donors who made contributions of \$1 to \$99 during the fiscal year.

Ao `ōpiopio is a young cloud. It rises from sea level or close to the cloud banks and is as white as steam. When seen, this is a sign of rain. We use this metaphor for any current Kamehameha Schools student who gives to the Foundation and demonstrates student philanthropy.

A close-up photograph of green grass blades, likely from a lawn or field, covered in numerous small, clear water droplets. The droplets are in sharp focus, reflecting light and creating a sparkling effect. The background is a soft, out-of-focus green, suggesting a lush, natural setting. The overall mood is fresh and vibrant.

## ALUMNI GIVING

As donors, Kamehameha Schools alumni play a pivotal role in ensuring that more Hawaiian learners have the opportunity of a college education. In essence, they follow in Pauahi's footsteps as true servant leaders for our people.

## 2016 REUNION CHALLENGE RAISES OVER \$100,000 IN DONATIONS

For a third year in a row, classes celebrating their reunion came together for some friendly competition, and in the process raised over \$100,000 in donations for post-high scholarships.

The Reunion Challenge, which was created in June 2014, counted gifts made from July 1, 2015 to June 30, 2016. Celebrating classes (classes ending in 1's and 6's) competed in three categories for a chance to win matching incentives from the Pauahi Foundation. The three categories included highest class participation (\$5,000 prize), highest amount raised (\$5,000 prize), and highest number of recurring gifts (\$3,000 prize).

In addition, each celebrating class was assigned class goals in participation and amount raised. If a class met or exceeded their goals, they received an additional \$2,000 in matching dollars.

All prizes awarded were added to their class scholarship fund.

This year's winning classes included the class of 1966 for highest class participation (59 percent) and highest amount raised (\$43,460), as well as the class of 1991 for highest number of recurring gifts (32 recurring gifts).

"It was a wonderful journey filled with many happy moments and the final outcome was a success," said **Michael Asam KSK'66**. "Our class scholarship was established to support and honor our Princess and her legacy. We hope our efforts will motivate others to set up their own endowment and continue the education of Hawai'i's children."

For the younger classes, the Reunion Challenge offered an opportunity to set the foundation for their class endowment so that they can be in the same position as alumni classes before them.

"As nā pua a Pauahi, we all have the responsibility to make her proud and continue her legacy by doing all that we can for the Hawaiian community," said **Chahati Lancaster KSK'06**. "We encouraged classmates to unite with us as the class of 2006 and give back to Pauahi and her nā pua. The additional \$15,000 max award from the Foundation incentivized many big donations from classmates."

Classes that hit or surpassed their class goals included the classes of 1966 and 1986 for hitting their participation goal. The classes of 1961, 1966, 1976, 1991, 2001 and 2006 all met their goal in amount raised.

"The Reunion Challenge continues to bring classes together in support of our lāhui. Mahalo nui to all participants for their commitment to building a strong foundation for future generations of Hawaiians," said Pono Ma'a, interim executive director at the Pauahi Foundation.
